

# ROCKVILLE CENTRE UNION FREE SCHOOL DISTRICT

Rockville Centre, New York

## BOARD OF EDUCATION MEETINGS 2023/2024

The mission of the Rockville Centre School District is to educate our students to become independent problem solvers. It is our goal to empower each student to meet the challenges of tomorrow's emerging world. The District will provide a safe, nurturing environment in which individual and civic responsibility is fostered, diversity is respected and all students are enabled to realize their full potential.

## **BOARD GOALS**

2023-2024

- **To establish a five-year curriculum review cycle for all District curriculum areas. Each one of the major subjects will be reviewed once every five years with one year designated as a spotlight year for each of the four major subject areas:**
  - 22-23 ELA Year 1-Spotlight and review curriculum
  - 23-24 Math Year 1-Spotlight and review curriculum
    - ELA Year 2-Design and develop new ELA units across the grade levels
- **To establish a committee of administrators, faculty, and service providers to review the current status of our District plan for academic support programs and make recommendations for improvements for Multi-tiered Support Services.**
  - 22-23 Year 1-Introduce MTSS Framework
  - 23-24 Year 2-Design and implement progress monitoring systems
- **To implement a full day co-teaching model.**
  - 22-23 Year 1-Implement full day co-teaching at the elementary level
  - 23-24 Year 2-Implement full day co-teaching at the secondary level
    - Continue professional development at the elementary level
- **To identify and implement a capital improvement plan that is aligned with the District mission, supports the development of innovative educational and extracurricular programs, and supports the cyclical repair, replacement, and upkeep of district facilities and equipment**
  - 22-23 Year 1-To establish a strategic list of priority needs as the basis of establishing a 5-year capital improvement plan
  - 23-24 Year 2-To align our facilities plan with the development of innovative educational and extracurricular programs reflecting stakeholder feedback
- **To design and develop a strategic communication plan designed to foster increased community engagement and collaboration with stakeholders.**
