Dear Parents and Staff:

We have partnered with Mount Sinai/South Nassau Hospital to make a mobile vaccination bus available to our students. All students ages 5-11 can register using the link below. The bus will be at South Side High School on **Monday, December 13, 2021 from 3:00PM – 6:00PM** and you will need to come back for your second dose on January 4, 2022.

The link provided below should be used to schedule appointments for students under the age of 12. Anyone over the age of 11 who registers using this link will not be scheduled. This visit is by appointment only, but a waitlist will be started for cancellations.

**All patients ages 5-11 must be accompanied by a parent or legal guardian (must bring paperwork proving guardianship). Grandparents, siblings, aunts or uncles are not acceptable. Parents must bring proof of age (birth certificate or passport). Mount Sinai South Nassau will not be able to vaccinate a child without this.**
