Dear Parents, Staff and Community Members,

It has come to our attention that a flier created and distributed outside of the District to promote the upcoming Blood Drive at Hewitt School on Saturday, December 4, contains an error. The flier incorrectly states that donors must provide proof of vaccination to participate. Please be advised that ALL blood donors are welcome and encouraged to participate, regardless of their vaccination status. No proof of vaccination will be requested, nor is it required.

We apologize for any confusion and encourage all individuals wishing to donate blood to attend this event. A revised flier is attached for further information.

Thank you.
