Layout

❏ Look at the bottom of the screen. You will see two important tabs
    ❏ Stream - Here you will see your teacher's latest posts and assignments.
    ❏ Classwork - Here you will see an organized list of everything in the Google Classroom
❏ From either the Stream or Classwork you can tap an assignment or material to view it.
    ❏ Material posts are just there to share information with you. You cannot turn anything in to a Material post.
    ❏ Assignments are there for you to do some work and hand something in to your teacher.
