

FAMILY STEAM ACTIVITIES

Inspired by
The Great Outdoors

PROJECTS INSPIRED BY THE GREAT OUTDOORS

You have two options for your next STEAM challenge.

You can choose to go on a nature walk or build a playground structure.

The lists of materials are optional, use any materials you have at your house, as long as parents say it's okay.

Scan the QR codes for examples and resources to help you invent your idea!

Email your STELLAR teacher with your final product - we can't wait to see what you come up with!

*Don't forget you can email us with any questions you have along the way!

Nature Walk

Go for a walk with your family and find some different materials from various places in nature.

Create a piece of art or a gift for someone special.

HAVE FUN!!

Create a Playground

Design a structure in a park that you would like to play on. It can be based on a real structure or an imaginary one.

Use toilet paper rolls, legos, popsicle sticks, string, cardboard, pipe cleaners, straws, etc.

HAVE FUN!!
