

# Create a Musical Instrument

- Use any items from home or from nature to create an instrument that can make sound.
- You may work alone or with a family member.
- Does your instrument make a high or low pitch? Can you change your instrument's pitch?
- Use your imagination and have fun!

# Helpful Hints

^ Ideas and instructions for instruments you can make (website contains ads).

^ This video gives an introduction to many different types of instruments and lets you hear what each instrument sounds like.

## Send us Pictures!

Your STELLAR teachers want to see your pictures! Please email pictures of your musical instruments to your STELLAR teacher - they will be featured in a STEAM slideshow on your school's home website.
