Using Kami with Assignments: For Students

Getting started with Kami's integration with Google Classroom™

Step 1

Go to Google Classroom, open your class, and go to **Classwork.**

Step 2

Open your **Assignment**, and choose the file you wish to work on.

Step 3

You should now see a preview of the file; click **Open with Kami** to start
completing your work in Kami. OR, if you don't see that button, then you can
click Open with at the top of the screen and select Annotate with Kami

K Open with Kami

Step 4 (This is the first time you use Kami on your device)

Sign in using your school's Google account using the **Allow Google Drive**
button.

Allow Google Drive

Step 6

Use the Kami tools to annotate the file.

Step 7

Once you're finished with your work, click the **Turn In** button. This will submit your
work to your teacher.
Yay! You've now completed and submitted your assignment.
